

**Welcome to
assembly**

Who got electronic presents for Christmas?

Who set them up?

**Last week we talked about
New Year's Resolutions.
Have you included being
esafe?**

**Why do we need to be
esafe?**

Upper key Stage 2 Acceptable Use policy

We will: follow the 3 school rules when using ICT equipment

always keep our username and password secret

only sign on using our own username and password

Always log out when you move from the computer.

only use the equipment as instructed

always use Safe Search

only go on sites that we are allowed to

only download or upload on to the internet when instructed

always treat the equipment respectfully

tell an adult if we receive a rude or mean message

remember if you can't say it in person - don't say it on the internet.

remember always leave a digital footprint

remember if something pops up on our screen that shouldn't be there-

a) **turn off the screen or lower the lid**

b) **tell the teacher straight away.**

What is a social network?

Social networks are websites, games or apps that allow people to interact with each other, and share things.

Users create a profile and can:

- share photos and images
- message each other (sometimes in a group)
- chat with people via video
- make voice calls
- share content
- meet new people and chat to strangers
- play games.

Young people love using social networks – they can be a great place to socialise and express themselves.

Most popular

YouTube

YouTube is a place to watch, create and share videos. Videos include things like music, animation, online blogs and TV clips.

Instagram

Instagram is a picture and video sharing app. Users can post content and use hashtags to share with others.

Facebook

Facebook is a social network, which lets you create a page about yourself.

Snapchat

Snapchat is an app that lets you send a photo or short video to your friends.

Twitter

Twitter is a social network messaging service that lets you send public messages called tweets.

How do we keep esafe?
