BRITISH SCIENCE WEEK 2025!

This week, we have celebrated British Science Week. The theme for this year is 'Adapt and Change' and we started the week with an exciting assembly led by Mr Gibbs and Mrs Pugh. We found out what everyone would be learning about this week and watched some live experiments. We have also been doing lots of science-related activities to celebrate. Take a look at what we've been up to below.

BRITISH SCIENCE WEEK 2025!

COMPUTING IN ACTION

At Swain House, Computing is taught through the ambitious and inclusive National Centre for Computing's 'Teach computing' scheme. The children at Swain House have access to lots of technology within their computing lessons including iPads, Chromebooks, Micro:bits and Bee-Bots that give the children life skills and hands-on experiences.

Each half term the children from Year 1 to Year 6 focus on a different aspect of computing:

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Computer systems and networks	Creating media	Programming A	Data and Information	Creating media	Programming B

Year 2 identified examples of IT and explained the purpose of different examples of IT in the school setting.

Year 3 designed their own stop-frame animation about the World War 1 trenches. They worked in small groups and used the i-motion app to bring their creations to life.

Year 6 designed their own games on Scratch learning. They learnt how to change variables within the gaming algorithm.

Year 5 have been learning how to code the BBC Micro:bit computers. They created a digital name badge and step counter using the devices input and output options.

SAFER INTERNET DAY
 Tuesday 11th February 2025
 'Too good to be true? Protecting yourself and others from scams online.'

Safer Internet Day is the UK's biggest celebration of online safety and is celebrated every year on a Tuesday in early February. Each year we cover an online issue or theme that speaks about the things young people are seeing and experiencing online.

Year 1 used different feeling cards to show how the characters felt in the story 'Troll stinks'.

Year 4 learnt about signs of a scam on Safer Internet Day. We gave the children scenarios and they had to pick out the signs that suggested it was a scam.

CAREERS WEEK

Last Friday, Careers Week ended with a fantastic 'work experience' afternoon where children from Years 1 - 6 chose which job they wanted to look into more closely and participated in activities specific to that particular role.

We had vets, artists, engineers, astronauts, café staff and so much more! There was a lovely atmosphere around school and hopefully children were inspired to think about their futures.

CAREERS WEEK

Competition!

We had so many entries for the Careers Week competition and it was very difficult to choose the winners! But here they are...

Upper Key Stage Two
Arafath Islam

Lower Key Stage Two
Suraiya Islam

Well done!

Thank you to all who took part.

We enjoyed looking at all your future ambitions and will be featuring many of the entries on a display in school.

Key Stage One
Taybian Brooks

50 THINGS TO DO BEFORE YOU'RE FIVE

Following on from our launch of **50 Things to do Before You're Five**, we will share an exciting weekly activity to try at home.

Please have a go at completing the activity and send any photos to 50things@swainhouse.bradford.sch.uk then we will share them in our weekly newsletter!

This week's activity is...

Try **#19 Growing Little People, Plants and Things** on your poster, app or local website...

Find out more...

Watching things grow and change is amazing!

#19 Growing Little People, Plants and Things

www.50thingstodo.org

50
things to do

Click [here](#) to access the 50 Things website to find out more about the activity or scan the QR code below

How to do it

If you have a garden, encourage your child to help you dig, pick, plant and sow. Plant seeds, ask neighbours for cuttings, buy plants when they are small (and cheap) and watch them grow. If you don't have a garden, use old jars or pots to plant things in and put them on a windowsill.

What you will need

You will need some seeds, something to put them in, some soil and some water. If you are gardening outside you might want a spade or a trowel - but a spoon will do!

CONGRATULATIONS!

We would like to say a huge congratulations to Mrs White on the safe arrival of her baby boy Arthur Frederic, who was born on 6th February. Mum and baby are doing absolutely fantastic and we have been very lucky to meet little Arthur at school this week, after he and his mummy attended the MooBorn class in our small hall.

A BIG THANKYOU!

Ivy-Grace has been really enjoying her time at jigsaw club after school with Mrs Sheridan and Mrs Gudgeon.

This week, Ivy-Grace brought in 4 new jigsaws that she has bought out of her own money to donate to jigsaw club.

We wanted to say a big thank you to Ivy-Grace for her kindness!

READING PLANET REVIEWS!

As part of our Key Stage 2 reading scheme, we would like to use our weekly newsletter to help promote and share some of your children's favourite stories that they have read. Each week, we will be sharing book reviews that have been written by your children. Hopefully these reviews will inspire our children to read one of the books when they choose their next one.

The Pudding Problem—Joe Berger (Free Reader book)

This book is a detective story where the main character, Sam Lyttle, is trying to find out who stole his tasty dessert! The problem is that nobody believes him because he is always lying. I enjoyed reading this book because it is in the style of a comic and I like looking at the illustrations. The book is also really funny. I would recommend this book to my friends

who also enjoy reading comic books.

Hayley—Year 6

MYHAPPYMIND

OUR CONVERSATION CARD OF THE WEEK

Enjoy a conversation!

Each week we will share a conversation card. These are designed to help you have meaningful and fun conversations with your child and aid discussions about mental health and happiness.

EASTER CRAFT SESSIONS

WEEKLY UPDATES

ATTENDANCE AND PUNCTUALITY

Here are this week's attendance and punctuality figures. There is a proven link between attendance and achievement and it is therefore very important that your child attends school and is on time unless they are too unwell to do so. Our doors open at **8.30am** and close at **8.40am**.

Please see the information below for our whole school and class attendance for the week ending **14/03/25**.

Early Years and Key Stage 1:

CLASS	PERCENTAGE %	LATES
Elm	92.0%	1
Willow	95.4%	1
Kandinsky	95%	3
Matisse	96.5%	0
Lowry	99.0%	4
Van Gogh	92.1%	0

Key Stage 2:

CLASS	PERCENTAGE %	LATES
Anne Fine	94.0%	1
Roald Dahl	95.5%	3
JK Rowling	97.3%	4
Michael Morpurgo	95.3%	2
Elgar	95.8%	2
Mozart	95.5%	2
Beethoven	95.3%	4
Vivaldi	98.9%	0

Congratulations to **Lowry Class** and **Vivaldi Class** for having the **best attendance** this week.

Well done to **Matisse Class, Van Gogh Class** and **Vivaldi Class** for having no lates!

Our whole school attendance this week:

95.5%

COMMUNICATION SINCE THE LAST NEWSLETTER

These are the letters, messages and website updates that have been sent out this week. If you have not received any of these letters, please speak to your child's class teacher or contact the office on **01274 639049**.

COMMUNITY NEWS

Co-op Academy
Parkland
Yorkshire Academy of Creative Arts & Dance (YACAD)
Co-op Academy Parkland
Old Park Road
Bradford
BD10 9BG

Dear Parent/Guardian,

During the easter holidays Yorkshire Academy of Creative Arts & Dance are delivering an Easter Camp at Co-op Academy Parkland. We believe your child may be eligible for a FREE place.

Camp	Ages	Time	Location
Mini Camp	5-7	10.00am-3.00pm	Co-op Academy Parkland, Old Park Road, BD10 9BG
Main Camp	8-15	10.00am-3.00pm	Co-op Academy Parkland, Old Park Road, BD10 9BG

Mini Camp will run for two days per week, Tuesday and Thursday:

Week 1: Tuesday 8th April and Thursday 10th April only.
Week 2: Tuesday 15th April and Thursday 17th April only.

Main Camp will run for 4 days per week, Monday, Tuesday, Wednesday and Thursday:

Week 1: Monday 7th April - Thursday 10th April
Week 2: Monday 14th April - Thursday 17th April

To see if your eligible for a FREE HAF place, please register through the HAF portal below:

<https://bradford.haf.fun/login>

If you are eligible, you will need to register your child to a club. Please choose **Co-op Academy Parkland for Mini Camp** and **Yorkshire Academy of Creative Arts & Dance for Main Camp**. A member of our team will be in touch regarding the next step.

Every child must have an annual membership with us. This costs £10.00 and is valid till April 2026. You can pay for this on our website and fill in our membership form either before or on the first day of camp.

Kind Regards,

Jessica Leeming

Programme Development Manager (jess@yacad.org)

COMING UP THIS TERM

SPRING TERM ASSEMBLY SCHEDULE

DAY	DATE	TIME	EVENT
Thursday	20.03.25	2.30pm	Anne Fine Class Assembly
Thursday	27.03.25	2.30pm	Lowry Class – Vaisakhi Assembly
Thursday	03.04.25	2.30pm	Mozart Class – Easter Assembly

Sign Language Week 17-23 March

To start the beginning of Sign Language week on **Monday 17th March** children are invited to wear something blue and/or yellow. This could be non-uniform or a blue or yellow accessory, for 50p contribution.

COMIC RELIEF 2025!

Red Nose Day

We are keen to support the Comic Relief fundraising event on Friday 21st March 2025. We have decided to try and raise as much money as we can in the following ways:

Wear Something Red – pay £1.00 and come to school in something red, comic relief themed or non- uniform on **Friday 21st March 2025**.

- **Bun Sale** – There will be a bun sale at morning playtime. We are asking for donations of biscuits and buns on the day so that we can sell these to pupils at playtime for 25p (max 50p per child). Please send your contributions for the bun sale with your child on **Friday 21st March 2025**.

Red Noses – These will be on sale (**£2.00 each**) from the main office from **Monday 10th March 2025** – get one before they all go!

We hope as many pupils as possible take part in the above events and that we will raise huge amounts of money for Comic Relief having lots of fun along the way.

REMINDERS

BREAKFAST CLUB

Our Breakfast Club opens at 7.30am at a cost of £3.00 each per day or at 7.45am at the cost of £2.50 each per day. Children from Nursery to Year 6 can attend.

If you would like to book your child into Breakfast Club, please use ParentPay.

AFTER SCHOOL CLUB

Our After School Club is available until 4pm at a cost of £2.50 each per day.

If you would like to book your child into After School Club, please use ParentPay.

EXTRA CLUB

We also offer an Extra Club service that runs until 6pm at a cost of £4.50 per day.

If you would like to book your child into Extra Club, please use ParentPay.

Please can you ensure that Extra Club places are booked and paid for in advance - by Monday morning. This ensures registers are accurate and places are booked and guaranteed.

NATIONAL ONLINE SAFETY

This week, our 'Wake Up Wednesday' guide from National Online Safety is about 'Roblox'.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about

ROBLOX

Roblox is one of the most popular video games among children. In 2020, the game's developers claimed that more than half of the USA's children had played it. As a 'sandbox' title, the game lets players create their own gaming experiences with Roblox Studio to build custom levels, which can then be shared online.

WHAT ARE THE RISKS?

ONLINE PLAY RISKS

Because Roblox connects random players across the world, it can put younger players into an environment with anonymous users who could use the platform for nefarious reasons. For example, some role-play games are used for online dates and mature role play, which could expose youngsters to inappropriate messages in the public chat box.

ANONYMOUS PLAYERS

The anonymity of users can leave players vulnerable to bullying, harassment, and predatory behaviour. Without the right parental controls or monitoring, users can connect with each other via personal messages or friend requests, and it is very difficult to know who's behind a username in this vast online world.

MATURE CONTENT

Content is difficult to moderate throughout Roblox, due to the number of games available. This is particularly notable on smaller games and experiences, but in summary, some of the games and experiences offered on the platform contain age-inappropriate content that could easily be seen by young players.

RISK OF ADDICTION

Roblox games can feature rewarding or satisfying mechanics that keep players coming back – or persuade them to stay logged-in for much longer. Like most games, they focus on interactivity, with constant rewards via in-game unlocks and currencies, which can sometimes lead to an addictive need to remain online for long periods of time.

IN-GAME SPENDING

The majority of games within Roblox have extensive monetisation options, usually through season passes or microtransactions. Purchases can range in value from a few pennies up to much larger sums of money. While some games offer a lot of content via purchases, others can offer very little for real world money, causing younger players to end up out of pocket.

SCAMS

Many of the games on Roblox feature collectible items, pets, or characters. These objects, while digital, are worth a lot of real money on certain online markets. Scammers will attempt to trade with younger users in the hopes of getting rare items that can be sold for real money, manipulating the child into handing them over, usually via misleading information.

Advice for Parents & Educators

MONITOR THE CONTENT

While Roblox does implement plenty of moderation tools and parental controls, it's up to parents and guardians to monitor the types of games a child or impressionable player is experiencing. If a youngster wants to play Roblox, be sure to check out which specific games they want to play within it, and get a good idea of their content.

PLAY TOGETHER

Consider playing Roblox with the children in your care. There are few more effective ways to see how monetisation works, gauge whether the game could lead to addictive behaviours, or even witness how interaction between players works, than sitting down and trying the game for yourself. This should help you figure out whether it's suitable for particular children.

TAKE ADVANTAGE OF TOOLS

Use the parental controls within the game itself and teach youngsters how to report and block other players. Knowing the powers within their reach will make Roblox a safer, happier experience. You can set age ranges for who's allowed to contact you, close public chat boxes, block spending, and even make your Roblox profile completely private. All these options are helpful in cutting off bad actors from engaging with children.

TEACH ONLINE BEHAVIOURS

Have an open conversation about the risks of online play and how to spend money wisely. By being honest and giving tips on how a younger user can protect themselves, you can empower them to not only take care of themselves, but others too. Any user can be reported to Roblox moderators by other players for behaving inappropriately. With this knowledge, younger players can be aware of what to look for and help prevent it.

Meet Our Expert

Dan Lipscombe is a videogame journalist and author of over 20 books on gaming, including books on Minecraft, Fortnite, Roblox, and more. For 15 years he has been writing about his passion for gaming. When he's not playing games, he's talking about them at GAMINGbible.
