# SUBJECT IN ACTION

## RELATE ASSEMBLY

Miss Broomfield and the 'Happiness Heroes' presented a special assembly this week, introducing our next module—**Relate**

We recapped the previous modules **Meet your Brain**, **Celebrate** and **Appreciate** then talked about what the new module will be about.

This half term we will be diving into **Relate** again and learning all about building positive relationships with others.

Our whole school challenge!

Let's set ourselves a school challenge...

...to use our Character Strengths more this year to make new friendships and see different perspectives.

When you go back to your classroom, talk as a class about how you will do this.

# VIRTUAL CAREERS LESSON

This week, children in Years 1 - 6 joined a national Virtual Careers Lesson all about some of the jobs that take place 'behind the scenes' at Amazon and how our parcels are picked, packed and sent out. The children listened as two employees in different roles told us all about their jobs and what it is like to work there. They enjoyed interacting through true or false activities, a robot movement challenge and being able to put their questions forward too. It was also interesting to see the robots moving around at the robotic fulfilment centre!

# YEAR 5 VISIT TO THE MANDIR

Year 5 visited the Mandir this morning as part of their RE learning about Hinduism. They spent time in the worship hall looking at the shrines, artefacts and listening to stories. They tried on some traditional clothes and learned what happens at a Hindu wedding. The children all had a fantastic time and learned so much today.

## Friends of Swain House Primary School

Dear Parent/Guardian

Following the success of previous Chocolate Raffles, the 'Friends of Swain House Primary School' have organised an Easter Chocolate Raffle to be held on **Thursday 26<sup>th</sup> March 2026**.

Tickets are available via your child's class at a cost of £1.00 per ticket (you may buy as many tickets as you wish). Please send the correct money with your child in a sealed envelope with the name of the person purchasing the ticket.

All tickets must be purchased by **Wednesday 25<sup>th</sup> March 2026**.

In order to provide the chocolate hamper prizes, we are asking for donations of gifts of chocolate to the school. Donations could be chocolate bars, boxes of chocolate, chocolate oranges, chocolate sweets, Easter eggs or anything else made out of chocolate.

Please send any chocolate donations to school with your child **from tomorrow**. We will also be having a non-uniform day in exchange for a chocolate donation on **Friday 13<sup>th</sup> March 2026**.

If you have any last minute chocolate donations, the last day for these to be brought to school will be **Monday 23<sup>rd</sup> March 2026**.

Let's raise as much money as possible to benefit all our children at school!

Thank you for your continued support,

Friends of Swain House Primary School

# NATIONAL ONLINE SAFETY

This week, our 'Wake Up Wednesday' guide from National Online Safety is about 'Creative Ways to Encourage Reading'.

## 10 Top Tips for Parents and Educators CREATIVE WAYS TO ENCOURAGE READING

Reading regularly has a life-long impact, yet recent data from the National Literacy Trust shows a decline in reading for pleasure among 8- to 18-year-olds, with just 32.7% enjoying it in 2025. Despite growing distractions, there are practical ways adults can spark a love of reading. This guide offers strategies and resources to help inspire young readers.

### 1 VALUE ALL READING

When we think about reading, it's very easy to picture a young person reading a fictional novel; however, reading is so much more than this. To help them understand, why not show them how to create a 24-hour reading diary? Jot down all reading and then discuss this with them. By doing this, you can demonstrate the many ways we turn to reading.

### 2 WIDEN THE SELECTION

Once we know reading can be varied, we need to think about the selection of reading material they can access. Visit a shop selling magazines, the library and a bookshop, and consider the range of material that is available within them. Then consider how you might broaden their reading choices, so all young people have access to a wide and varied selection.

### 3 GIFT A BOOK

One simple way to encourage reading is to make books feel special. Gifting a book adds value and shows it's something to be treasured. Whether it's as a reward or for a celebration like a birthday, let the young person choose a title or pick one you know they will enjoy. You could also include a personal note inside.

### 4 CONNECT WITH AUTHORS

Meeting authors can certainly spark an interest in their reading material. This might be through a live event in a school/bookshop or by using the wealth of online material that is now available. Encourage young people to look at ways to connect with authors using free resources such as Authorly and Just Imagine's Children's Authors Live.

### 5 BUILD YOUR KNOWLEDGE

Access training about reading for pleasure to widen your understanding of this topic and, more importantly, how to develop it. Explore a wide range of free resources that can be found online. The more you know, the better placed you are to inspire a love of reading in others.

### 6 TALK BOOKS

There are times when we need silence to read and focus on our book; however, we know that reading is a social experience, so we must also factor in discussion time. Reading the same book gives two people a connection and the opportunity to voice their thoughts and questions about it. Why not buy two copies of a book and read it together? Start the connection.

### 7 RECOMMENDATIONS

As well as talking about the content of books, we can share what we are reading or have read recently. This can often act as a trigger for someone else to explore it. How often have you watched a film or series because someone else has recommended it? It's the same with books. If you know the young person well, you can tailor your recommendations and share why you think they'll enjoy it.

### 8 GO DIGITAL

With the rise in online digital material, we can easily focus on the negatives; however, it also brings a wealth of opportunities. Resources can aid and enhance the reading experience for young people. They can read along with audiobooks, translate, and track their reading goals with resources like PolyIno and apps like Goodreads for older children. Augmented reality books also bring books to life and offer a great way for engagement.

### 9 RECONNECT

There can come a time when a love of reading seems to disappear. It does not mean it's gone forever; it generally means they have lost the connection. How do we get it back? Find the next piece of reading material that sparks their current interests. The National Year of Reading focus of 'Go All In' captures this well as it is their key theme. As children grow and change, so do their interests. A visit to the local library is a great way to support the reconnection.

### 10 LEAD BY EXAMPLE

Let them see you reading. If you make time to read, you send a strong message to children: reading matters. Share why you enjoy it. Is it to relax, escape the world, learn something new or to be entertained? When children see reading as a normal and valued part of everyday life, they are more likely to adopt it themselves.
