Lister Park picnic

At the start of this term all three RP provisions met up for a picnic at Lister park

Our children got to experience different forms of travel by walking to the park and then to return to school they used the train to get to town area, from where they boarded the bus which brought them to school. All in all they had a wonderful day. They met up with children from Girlington School and Hanson School. Walked the nature park and free play with new friends, they also had time in the play area.

PARENT BSL NEWS

Parents who have been attending Tuesday morning classes to learn BSL Level 1 have now past their 202

They have one more Exam to pass to achieve their Certificate of Level one BSL.

Well done to you all for passing and keep up the good work.

Sign classes will continue in September.

“Our vision is to provide high quality support for all Bradford children and young people using a collaborative approach through transformational learning experiences so that they can flourish and make excellent holistic progress and successfully transition to responsible citizens”

Dogs Trust School visit

The dogs trust made a visit to school to help the children learn about dogs and their habits. With the summer holidays starting children will be more likely to come across dogs when they are out and about.

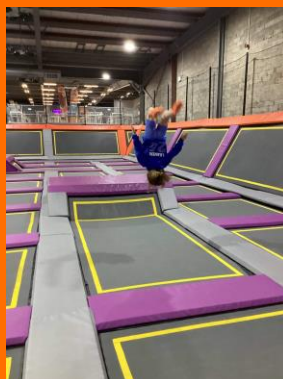

They gave a lot of information on dogs and how they behave, dogs when barking can be their way of communicating and can run up to you in excitement to greet you and might want you to play with them. Dogs are mostly on leashes and with their owners. The children all learnt a lot and the visit left them feeling confident to know how to react if they met a dog when they were out.

Year 6 Trip to Gravity Park

Year 6 had an amazing time on their end of year trip to Gravity and Lazer Zone park.

They had a day full of fun spending time with their friends.

RAP POET

Donovan Christopher, a RAP poet, who came to visit our school as part of the Bradford Literacy Festival. After the mainstream assembly, the RP children were able to engage with the poet afterwards. He recited some rap poems from a collation of different words that rhymed. We even managed to get a 'seaside' rap poem out of him!

Here it is:

**Travelling, travelling to the sea,
Scarborough is the place to be
Travelling down the motorway,
Having fun, we'll have a good day!**

Donovan even gave us a published book of his poems. How nice.

Daniel is yet to put it down! When he's finished, I will pass it on to the other groups.

Penalty shootout

All the children had a chance to get their goals in in the penalty shootout

RP Trip to Scarborough Beach and Sea Life

The whole RP went to the Sea Life Centre in Scarborough and enjoyed looking at the sea animals, fishes, seals, penguins and other sea life. They got to touch and feel empty whale egg shells. We all headed to the beach after lunch and spent time playing on the sand and dipping feet in the sea. The weather was not great but it did not stop the children and adults to enjoy and have lots of fun. Everyone got to enjoy an icecream before heading back to transport and back to school.

Goodbye

We had a secret farewell party on Tuesday 16th to say goodbye to our year 6 students and look at videos and photos of them through the years of when they started at Swain House. They were pleasantly surprised to see some of their ex teachers who came in to say goodbye. One of their ex teacher who was abroad joined in by video call to join us all and wish them good luck in their high schools. We had lots of laughter and tears by the end. Thank you to Ms Robinson and the rest of the staff to make the morning a memorable by working for hours to set up the surprise and put together videos, photos and treats for all.

School will be breaking up on Friday 19th July
Re opens on Tuesday 3rd September

We wish you all have a good summer break and the weather is nice and warm to enjoy the holiday period.
