

# SPOTLIGHT ON SEND

(special educational needs and disabilities)

Each half-term, we write a section on our school newsletter to keep parents and carers of pupils on the SEND register 'in the loop' about all things SEND related. We highlight support available in school and also resources and workshops available in the local area.

## Daily Reading

Studies have shown that reading for just a few minutes a day reduces anxiety and can improve sleep quality.

**Below is a selection of books that you might enjoy sharing with your family.**

## Bradford PHAB Club

The aim of Bradford PHAB is to promote and encourage people of all abilities to come together to achieve inclusion within the wider community. They promote and encourage self-confidence and independence of young people of all abilities through a range of diverse activities and projects.

The participants are transported to and from the club each week. They also provide supervision and support to the children and offer a break from everyday life with a chance to mix with and make new friends.

Bradford PHAB Club runs every Wednesday Evening during School Term Time although we organise many events/trips during the Summer months. They are based in West Bowling in Bradford at the MAPPA Centre, Coates Street, BD5 7DL

## Bradford Early Advice Team (BEAT)

BEAT is a project run by AWARE, a local parent-run support group for families in the Bradford area whose child(ren) may have autistic traits – no diagnosis required.

They are funded by the NHS to offer support to families in our area with children who have been on the waiting lists for an assessment for neurodiversity.

They get together in person once a month in central Bradford for BEAT meet ups, where they choose a topic (e.g. education, sleep or eating) and have visitors from local services come and talk to our members.

They are offering 'BEAT Introduction to Neurodiversity' four week courses on Zoom; they offer the same courses in Urdu, face to face in central Bradford twice a year.

For BEAT - please email [beat@aware-uk.org](mailto:beat@aware-uk.org) or call 01535

## Speech and Language

We are aware of the waiting lists for speech and language sessions via the NHS.
