Games day

The children in Hellen Keller spent time playing games and having fun with friends on games day

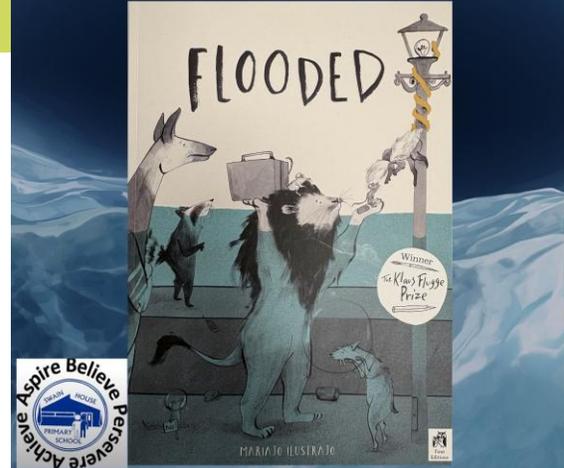

“Our vision is to provide high quality support for all Bradford children and young people using a collaborative approach through transformational learning experiences so that they can flourish and make excellent holistic progress and successfully transition to responsible citizens”

SWAIN HOUSE PRIMARY RESOURCED PROVISION - (KS1 & KS2)
SHARING GOOD PRACTICE WITH BRADFORD RPS
VISUAL · ACCESSIBLE · INCLUSIVE

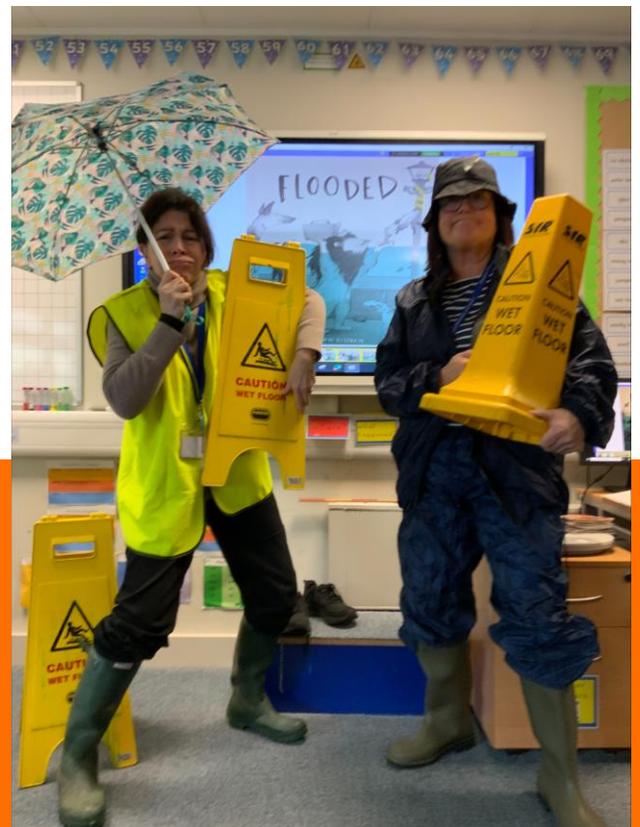

Flowers, Fruit and Seeds

The year 3/4 pupils in the RP have enjoyed the start of their science topic 'Flowers, Fruits and Seeds'. They have discovered some amazing facts about flowers and have made close observations of different flowers using magnifiers. The pupils have created botanical drawings using pastels and some sculptures showing different parts of a flower.

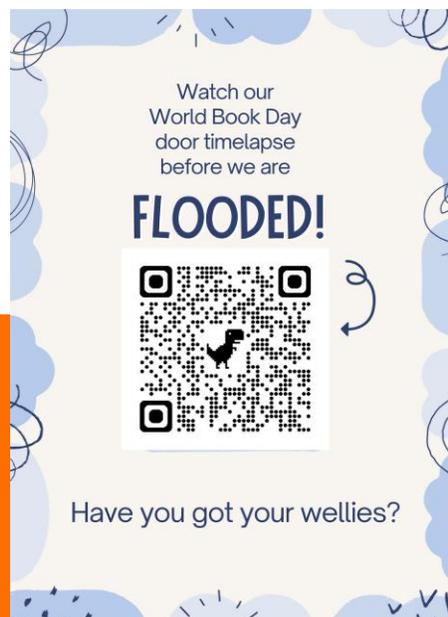

Flooded

The children in the RP enjoyed the launch of their new book, 'Flooded' by Mariajo Ilustrajo. They loved a bit of role play, dressing up in waterproofs and wellies in preparation for a flood. They also enjoyed discussions around the theme of the story, 'Don't ignore small problems as they may get much worse!'

Decorate your door competition

For World Book Day, PW classroom decorated our door for the Swain House competition. The children worked together to show a city filled with rising water and animals trying to reach safety. They created the animals, buildings, and waves and added their own ideas to bring the story to life, as you can see in the video. We are very proud of the creativity and teamwork that went into creating our Flooded door!

World book day

We had a fantastic time celebrating World Book Day. Everyone came to school in their pyjamas or character costumes, and the room was full of excitement as we shared stories and talked about our favourite costumes, books and competitions.

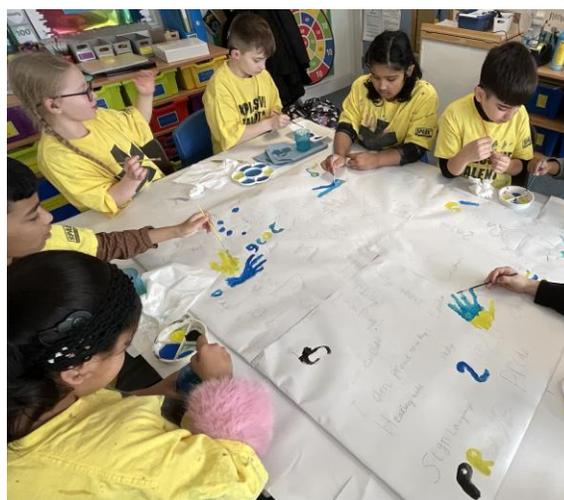

Busy Bees

The year 3/4 children in the RP have been busy bees helping to pollinate flowering plants. They found out how important bees are in the pollination process and how the bees move pollen grains from one plant to another. The children learned how bees make honey and enjoyed tasting honey sandwiches.

Sign Language week

The children in the RP all got together to make the banner for Sign language week. They had a great time making it and were really proud of their artwork. Scan the QR code to see the whole school signing.
