

# SPOTLIGHT ON SEND

(special educational needs and disabilities)

Each half-term, we write a section on our school newsletter to keep parents and carers of pupils on the SEND register 'in the loop' about all things SEND related. We highlight support available in school and also resources and workshops available in the local area.

## Speech, Language and Communication

Scan the QR code to access an online step-by-step guide to help your child with talking and communication (ages 0-5). It is full of fun and easy activities to try at home and also a list of 'play and learn' groups.

## Parents' Evening

Parents Evening was on Tuesday 28th January. At the meeting, you will have been updated on the progress your child is making and any additional support that is in place. Their termly targets are listed on their Pupil Profile.

If your child has an IEP (Individual Education Plan), you will have been given a copy at the meeting. The class teacher has written the IEP and set targets for your child to work on this term. We would really appreciate it if you could support your child at home with their targets. If you need any support or resources for this, please speak to your child's class teacher.

## Parent and Carer One-Minute Guides

The SEND Local Offer website provides valuable information and resources to parent carers. They offer guidance on understanding the SEND process, including assessments, Education, Health & Care plans (EHCP) and access to support services. Parents can access information about local schools, special educational provisions, and available financial assistance.

One Minute guides are short or 1 page documents that provide quick, simple and accessible information.
