

07.2.23

Maths: Have a go at the multiply and divide questions. Draw out a place value grid if you want.

1. $14 \times 10 =$	1. $79 \div 10 =$
2. $17 \times 10 =$	2. $87 \div 10 =$
3. $16 \times 10 =$	3. $75 \div 10 =$
4. $18 \times 10 =$	4. $23 \div 10 =$
5. $12 \times 10 =$	5. $33 \div 10 =$
6. $39 \times 10 =$	6. $26 \div 10 =$
7. $23 \times 10 =$	7. $43 \div 10 =$
8. $27 \times 10 =$	8. $39 \div 10 =$
9. $33 \times 10 =$	9. $69 \div 10 =$
10. $29 \times 10 =$	10. $13 \div 10 =$

English:

We would like you to choose your favourite room in your house, if not in your house maybe your favourite place. Your task is to describe that place using modified expanded noun phrases and commas in a list. Use the WAGOLL to magpie ideas. Please focus on your handwriting.

*My garden.*

*My favourite part of my house is my garden. My garden is a beautiful, huge open space that is full of insects. In the corner of the garden, there are a range of gorgeous flowers that blossom in the spring. We have sunflowers, daisies and lily's growing, there are even pepper, chili and tomato plants. The garden is my favourite place because I have a black, hot fire pit that I light on cold nights whilst I watch the red and pink sunsets in the summer.*

Theme:

In our English lessons we have been writing our own story following on from Beowulf. We would like you to draw the front cover of your story. Think about the features of a front cover, title, illustrations, author. You will need to think about the characters in your story and the settings you have been describing.

Here is a remember to list to help you.

Title	Illustrator name
Author name	Capital letters for names
