ACHIEVE

COMIC RELIEF 2025!

We raised an amazing £285 for Comic Relief last Friday. We enjoyed a bun sale and coming to school dressed in red!

AN EGG-CITING ARRIVAL!

We have had an exciting arrival in Reception class! The eggs arrived at the beginning of the week and we now have chicks! Come back next week to see more photos of the children holding them!

YEAR 1 VISIT TO SKIPTON CASTLE

As part of their history and geography lessons, Year 1 have been learning all about castles. They visited Skipton Castle and looked at all the different features of a castle.

EASTER CRAFT SESSIONS!

Thank you to all our family members that have attended our Easter Craft sessions so far!

GREEN POWER PROJECT

Some Year 6 pupils have been working with a local secondary school Hanson to build a racing car as part of the Green Power project. They made the car totally from scratch! They have built the frame, wired up the electrics, drilled together the body work and designed the paintwork. They are working towards an upcoming race in July where we will be racing our car against other schools. We were so proud of their efforts and determination when building this car - here are some pictures of us hard at work!

HISTORY IN ACTION

History has always been held in high regard at Swain House Primary and we pride ourselves on creating a love for history through creative learning environments, theme days and real life experiences. We aim to inspire our pupils curiosity and fascination about history that will remain with them for the rest of their lives; we want pupils to understand the past and how history will shape their future.

History is taught throughout the year, so that by the end of Year 6, children will have a chronological understanding of British history from the Neolithic Age to the

present day. In addition to this, we commemorate special historical occasions such as Black History Month and Remembrance Day every year in school to deepen our understanding of national historical events.

In Early Years, we explore different opportunities to learn about familiar situations in the past and listen to stories that tell us information about the past and present.

In Key Stage One, we learn all about changes within living memory of ourselves

and our family members in Street Detectives, this even includes a trip to Morrisons, to discover how shops have changed. In Year 2, we learn about the significance of Robert Peel, concluding in a visit to Peel Park named in his honour.

In Lower Key Stage Two, we learn about the important figure of Sir Titus Salt in our Proud to be from Bradford topic and we

visit Saltaire to experience what life was like then. In Year 4, we learn about the Roman Invasion of Britain through to the Battle of Hastings in 1066, including the

Anglo-Saxons and Vikings. This year we had a very exciting workshop to deepen our understanding further.

In Upper Key Stage Two, we learn about the Bradford City Fire in our Proud to be from Bradford topic and learn all about the

Victorian era, including a trip to the Industrial Museum. In Year 6, we learn about the ancient Greek civilization and we were visited by a Greek soldier to tell us all about life in ancient Athens!

50 THINGS TO DO BEFORE YOU'RE FIVE

This weeks activity is #26 Splish, Splash, Splosh. Please have a go at completing the activity and send any photos to 50things@swainhouse.bradford.sch.uk then we will share them in our weekly newsletter!

This week's activity is...

Try #26 Splish, Splash, Splosh on your poster, app or local website...

Find out more...

Play with water in many ways, both inside and outside

#26 Splish, Splash, Splosh

www.50thingstodo.org

50 things to do

Click [here](#) to access the 50 Things website to find out more about the activity or scan the QR code below

How to do it

Make sure that your water play isn't stressful by choosing where you and your child explore water. Inside can be fine as long as you protect your floor with plastic, towels or bathmats. Outside is wonderful in any weather with the right clothing.

What you will need

Water in containers (baby baths, bowls, buckets, water trays are all good resources) and/or flowing water from hoses, garden sprinkles and taps. You can also use plastic cups, funnels and spoons.

SPOTLIGHT ON SEND

(SPECIAL EDUCATIONAL NEEDS AND DISABILITIES)

Each half-term, we write a section on our school newsletter to keep parents and carers of pupils on the SEND register 'in the loop' about all things SEND related. We highlight support available in school and also resources and workshops available in the local area.

Mr George
and Miss
Broomfield

Keep updated with all things SEND at Swain House. Click [here](#) or scan the QR code.

Neurodiversity Celebration Week

Neurodiversity Celebration Week is a worldwide initiative that challenges stereotypes and misconceptions about neurological differences.

We celebrated it in school with a whole assembly sharing information and awareness about neurodiversity. Scan the QR

Bradford SENDIASS

Bradford SENDIASS is for parents and carers of children and young people (0-25) with special educational needs and disabilities (SEND) in the Bradford area - and for their children too.

The staff help parents and children to work together with schools and the local authority so that they have a good understanding of what support is

needed and to make sure that it is put in place. We can also offer IASS around health and social care needs in relation to SEND.

Updated IEPs in School

Some children have an Individual Education Plan (IEP) in our school.

This IEP will be updated termly by their class teacher.

You will receive an updated copy shortly during parents' evening in Summer 1 term.

Holiday Activities and Food

Children on free school meals are eligible for a free place at a HAF holiday club during the Easter, summer and Christmas school holidays. HAF clubs provide free, fun activities and a healthy meal for eligible children, including children with SEND or additional needs.

Places are limited on the clubs so please book early to avoid missing out. Bookings are now open for the Easter holiday.

If your child is not on benefits-related free school meals, but has special educational needs or disabilities (SEND), then you will need to contact a club directly to ask if they have places available.

Details of all clubs and how to contact them, are on this link:

<https://www.bradford.gov.uk/education-and-skills/haf-holiday-activities-and-food-programme/find-holiday-activities-and-food-sessions-in-your-area/>

Department
for Education

Speech and Language

We are aware of the waiting lists for speech and language sessions via the NHS.

Please [click here](#) to access NHS resources to support your child at home.

If you are concerned about your child's communication skills, you can refer them for support using this link - [Click here](#)

ASDA CASHPOT

We raised a fantastic £295.64 for the Asda Cashpot for Schools scheme. Thank you to everyone who supported this scheme.

NEW GEOGRAPHY MURAL

We are very excited to share our new geography mural in the small hall. We have included key locations from across our geography curriculum including Skara Brae, the pyramids of Giza and Antarctica. This will support children with map skills and their understanding of where places are in the world.

WEEKLY UPDATES

ATTENDANCE AND PUNCTUALITY

Here are this week's attendance and punctuality figures. There is a proven link between attendance and achievement and it is therefore very important that your child attends school and is on time unless they are too unwell to do so. Our doors open at **8.30am** and close at **8.40am**.

Please see the information below for our whole school and class attendance for the week ending **28/03/25**.

Early Years and Key Stage 1:

CLASS	PERCENTAGE %	LATES
Elm	88.0%	1
Willow	99.0%	2
Kandinsky	93.4%	2
Matisse	98.8%	3
Lowry	93.8%	1
Van Gogh	90.9%	1

Key Stage 2:

CLASS	PERCENTAGE %	LATES
Anne Fine	96.7%	0
Roald Dahl	95.8%	2
JK Rowling	96.2%	1
Michael Morpurgo	94.1%	0
Elgar	95.6%	2
Mozart	98.8%	0
Beethoven	100%	0
Vivaldi	98.2%	0

Congratulations to **Willow Class and Beethoven Class** for having the **best attendance** this week.

Well done to **Anne Fine Class, Michael Morpurgo Class, Mozart Class, Beethoven Class and Vivaldi Class** for having no lates!

COMMUNITY NEWS

Co-op Academy
Parkland
Yorkshire Academy of Creative Arts & Dance (YACAD)
Co-op Academy Parkland
Old Park Road
Bradford
BD10 9BG

Dear Parent/Guardian,

During the easter holidays Yorkshire Academy of Creative Arts & Dance are delivering an Easter Camp at Co-op Academy Parkland. We believe your child may be eligible for a FREE place.

Camp	Ages	Time	Location
Mini Camp	5-7	10.00am-3.00pm	Co-op Academy Parkland, Old Park Road, BD10 9BG
Main Camp	8-15	10.00am-3.00pm	Co-op Academy Parkland, Old Park Road, BD10 9BG

Mini Camp will run for two days per week, Tuesday and Thursday:

Week 1: Tuesday 8th April and Thursday 10th April only.
Week 2: Tuesday 15th April and Thursday 17th April only.

Main Camp will run for 4 days per week, Monday, Tuesday, Wednesday and Thursday:

Week 1: Monday 7th April - Thursday 10th April
Week 2: Monday 14th April - Thursday 17th April

To see if your eligible for a FREE HAF place, please register through the HAF portal below:

<https://bradford.haf.fun/login>

If you are eligible, you will need to register your child to a club. Please choose **Co-op Academy Parkland for Mini Camp** and **Yorkshire Academy of Creative Arts & Dance for Main Camp**. A member of our team will be in touch regarding the next step.

Every child must have an annual membership with us. This costs £10.00 and is valid till April 2026. You can pay for this on our website and fill in our membership form either before or on the first day of camp.

Kind Regards,

Jessica Leeming

Programme Development Manager (jess@yacad.org)

WEEK 1

NATIONAL ONLINE SAFETY

This week, our 'Wake Up Wednesday' guide from National Online Safety is about 'Bluesky'.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about BLUESKY SOCIAL APP

WHAT ARE THE RISKS?

While Bluesky has been around since 2019, it's suddenly taken off in a big way thanks to a significant exodus from X (formerly Twitter). Indeed, it looks and behaves a lot like Twitter before Elon Musk bought the platform. Bluesky has been touted in recent months as a safer, more open-minded alternative to X – but like any social media site, it still has its share of risks.

NO PRIVATE ACCOUNTS

While most social networks allow accounts to be private, at the time of writing, all Bluesky accounts must be public. The development team has indicated this might change in the future, but the app is built on a public-first protocol. If private accounts are ever introduced, it may only be in a limited way – such as through the implementation of group chats.

INTERACTIONS WITH STRANGERS

Every account being public means that anyone can be contacted by anyone else. While users don't have to respond and can easily block people and move on, it does mean that youngsters are at particular risk of being conned by scammers, messaged by predatory adults or exposed to others with ill intentions. These hazards can be compounded by the fact that Bluesky doesn't require its users to provide their real name.

TROLLING AND BULLYING

While Bluesky currently feels a lot friendlier than X seems to have become, its lack of private accounts means that there's nothing to stop users from trolling and cyberbullying younger people. While accounts can be blocked and reported, a persistent bully could simply create a new profile, potentially making their victims feel unsafe in continuing to use the app.

DANGEROUS MISINFORMATION

Established news organisations have fact-checking and editing processes, but social networks have no such controls and can often serve as breeding grounds for misinformation and disinformation. Bluesky will possibly be no different once it reaches a certain size, and children may not have the critical thinking skills to tell fact from fiction – or to discern an informative, honest user from a malicious one.

ADULT TARGET AUDIENCE

Bluesky isn't designed with children in mind, and there aren't many parental controls on the platform. In an interview with the BBC, Bluesky's CEO originally said that the app would only allow users aged 18 and above to sign up, but a spokesperson later clarified its age restriction as 13+. This could imply the app was originally meant for an adult audience and suggests that making the platform more child-friendly might not currently be a priority.

RAPID GROWTH

At the time of writing, Bluesky seems calm in comparison with other social networks where moderation is lax and the atmosphere toxic – but that's due at least in part to its smaller community. The app has recently been adding as many as a million users per day, and if that continues, there'll be more unpleasant users to handle, and moderators could struggle to maintain the pleasant environment Bluesky is currently known for.

Advice for Parents & Educators

USE THE ADULT CONTENT FILTER

Bluesky doesn't have much in the way of parental controls, but there are content filters which can hide sexual and graphic imagery. These are enabled by default for underage accounts but can be manually turned on in the 'Moderation' section of the app's settings. The 'advanced' Bluesky Moderation Service lets you restrict content even further, hiding – for example – self-harm content, extremist rhetoric, and even rude posts.

LOOK OUT FOR FAKES

Impersonation is a problem on all social networks. While the consequences are usually benign, imposters sometimes attempt to scam or groom children by pretending to be a popular influencer or online personality. Bluesky is unique in that it can be connected to official domains, with users' handles linking to other sites; while this isn't widely used right now, it could be a reliable way to verify celebrities and public figures in future.

ENCOURAGE BLOCKING AND REPORTING

Another tool that Bluesky uses to ensure a decent experience is muting and blocking accounts. The former prevents you from seeing a specific user's content, while the latter stops them from seeing yours. If a child is encountering trolls or bullies on the platform, encourage them to use this function, while also reporting the offenders to help make the platform a nicer place for everyone.

KEEP AN OPEN DIALOGUE

As with all social media platforms, moderation and content filters can only do so much; it's highly likely that a child will eventually face something unsavoury. For that reason, it's important to make sure that young people are aware of the risks and know how to handle the technology if anything they see on the app makes them feel unsafe or uncomfortable.
