Cloze Passage

Use the words below to fill out the blank spaces.

We use the _____ for many things in our daily lives, including learning, talking with friends, playing _____ and watching videos. Safer Internet Day is a day to learn how to stay _____ online. The day is an annual event, which means it happens once every _____. Using the Internet is an amazing opportunity to have but sadly, there might be times where things can be negative. There might be photos or facts that are deceiving and this means they are _____ and trying to trick you. There might even be _____ who are disrespectful and start online bullying. To stay safe, always talk to an adult _____ using the Internet. If you see anything that makes you worried, always show an _____ . Make sure you keep personal facts to yourself. Use your manners and be _____ to everyone online.

year	Internet	people
before	safe	false
adult	respectful	games

Part 2
Design your own poster for Safer Internet Day!

Part 3
Make the given passwords stronger using the information provided.
E.g.
Weak password: student
Strong password: Stud3nt+ eight characters S = capital letter 3 = number + = symbol

1) Weak password: lemontree
   Strong password:
2) Weak password: cheeseonetoast
   Strong password

How to Create a Safe Password

When we are using the Internet we need to keep our personal information safe with passwords.

A safe and strong password should have:

- At least eight characters
- Upper-case and lower-case letters
- Numbers
- Symbols

It should not include:

- Your birthday
- Your name
- Your phone number

Change the following weak passwords into strong passwords and add your own:
