YEAR 4 LOCAL AREA WALK

Year 4 started their new topic, Marvellous Maps, by enjoying a walk around the local area. They were looking out for all the physical and human features that we could see in the streets around our school.

BRADFORD LIBRARIES

Bradford Libraries have kindly donated some books to our school. Pupils have thoroughly enjoyed reading the books and sharing them with their friends.

READING PLANET REVIEWS!

As part of our Key Stage 2 reading scheme, we would like to use our weekly newsletter to help promote and share some of your children's favourite stories that they have read. Each week, we will be sharing book reviews that have been written by your children. Hopefully these reviews will inspire our children to read one of the books when they choose their next one.

Martina and Amelia

I like Martina and Amelia because Martina moves to a different house and meets a new friend Amelia. I also like it because they do lots of nice things together. This is a great book, I recommend that you read it!

Ellissia —Year 4

CONGRATULATIONS!

We would like to say a huge congratulations to the new Mr and Mrs Butters, who got married during the summer holidays.

We hope you had an amazing wedding day!

SHARING YOUR NEWS!

We would like to say a huge well done to Myla in Year 3 for completing the Summer Reading Challenge at her local library - great effort and commitment Myla!

Cooper in Year 4 has been awarded a Top Tackler certificate from his rugby club. His coach was impressed with his tackling skills and for how well he coped with a small injury he received during the game!

Last weekend, Amelia in Year 6 (our superstar BMX rider) came 1st place in the Northern Club Championships in Preston - she was 1st out of 26 riders across England. The weekend before, Amelia placed 7th in the British Championships in Derby- racing against 36 riders from across the UK.

We are really proud of her commitment and dedication to the sport alongside her outstanding talent. Well done Amelia!

ST. MARY'S
MENSTON

9 September 2024

Dear Year 6 Parent/Carers

St Mary's Menston Open Day – Saturday 28 September 2024, 11:00am – 2:00pm

You are warmly invited to visit our school community on Saturday 28 September 2024 for our annual Open Day. We know this day is an especially important day for our prospective Year 6 pupils, and for you as parents/carers. I, and all of our staff, fully appreciate the importance of your child's learning and how important the school Open Day is when you are considering St Mary's for the next stage of their education. As our Mission Statement suggests, each and every child is at the heart of all that we do and say at St Mary's. We are mindful that all members of our community are on a journey of self-discovery and it is a privilege for us to serve you at this important stage in your child's journey.

We are very much looking forward to meeting you in person at our Open Day when the school will be open between 11:00am and 2:00pm. This year, the Open Day also marks the start of our 60th Anniversary celebrations. It is our intention that the day will allow you to see for yourself all that is so special about our school. I am certain you will see that our Mission is a lived reality and that we work with our families to draw out our pupils' gifts, talents and virtuous character so that when they leave us, they can contribute positively to the common good of society and the beauty of the world.

The format of the day will provide you with the opportunity to attend a welcome address from myself as Headteacher of the school. You will also be able to visit all areas of the school, meet staff and pupils from different subject areas, and gain an insight into the work we do with our pupils on a daily basis.

Based on the volume of interest and the number of enquiries we have already received from the families of prospective pupils hoping to join Year 7 in September 2025, we will be using a 'ticketed' system for the main presentation. The purpose of this is to ensure all our visitors can experience the full range of everything the school offers on the day.

I look forward to being able to share the many exemplary aspects of life here at St Mary's, including our wonderful 2024 examination outcomes achieved by our former Year 11 and Year 13 students.

St Mary's Menston Open Day 2024 – Headteacher's Welcome

To book a place at our Open Day, please click on the link above and choose **one** of the three **Headteacher Welcome and Admissions Information** sessions, which will take place in our **Main Hall at 11:20am, 12:20pm and 1:20pm**. If you cannot access the online booking system, please contact us directly on 01943 883 000 and we will make a booking for you.

Once you have booked your session, you will be welcome to arrive at any time from 11:00am onwards. Those visitors who attend the 11:20am Headteacher Welcome will be able to visit all areas of the school at the conclusion of the session. Those who attend the 1:20pm talk are welcome to tour the school before their information session.

In addition to our Open Day, there are a range of other resources to help you get to know our school. We would encourage you to visit our school website www.stmarysmenston.org where you will find a huge array of information about school life at St Mary's, ranging from curriculum details to opportunities beyond the classroom such as our internationally acclaimed Bambisanani Partnership.

I am tremendously proud to be able to lead this school community and to be able to walk alongside you at this important time as a family. I will welcome you wholeheartedly to St Mary's on Saturday 28 September 2024 and look forward to meeting you in person.

Yours sincerely

Miss M Hattersley
Headteacher

NATIONAL ONLINE SAFETY

This week, our 'Wake Up Wednesday' guide from National Online Safety is about 'Supporting Children to Manage Conflict Effectively'.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators SUPPORTING CHILDREN TO MANAGE CONFLICT EFFECTIVELY

Disagreement is a natural part of human interaction. This can seem particularly true when dealing with the sensitive issues that arise for secondary-aged pupils. This guide brings you 10 top tips which can help prevent conflicts arising or mitigate their impacts when they do.

1 INSPIRE RESPONSIBILITY

The best approaches to conflict resolution are restorative. This means that rather than adults imposing their own solutions on children who have had a disagreement, they should work with them. Allowing them to handle it can feel empowering to young people and will hopefully teach them to manage their own disputes as they move towards adult life.

2 ACTIVELY LISTEN

Remember to give every child the opportunity to voice their opinion, regardless of their age, stage of development, special educational needs, or other individual requirements. This can be done using a variety of different communication methods. For example, some children find it easier to express how they're feeling using pictures and drawings, while some prefer to write their ideas down.

3 BE CURIOUS

Demonstrating how to approach conflicts with a mature and empathetic mindset can set a good example to children, which can prove a useful skill for them later in life. Model this by asking inquisitive-yet-respectful questions about the issue at hand. Really try to understand where all parties are coming from, and share information between them when and where appropriate. This should encourage young people to mirror your behaviour, teaching them to be curious about the other sides of a conflict, and thus being more willing to hear them out.

4 PROMOTE DIFFERENCES

Children and young people may come from a range of different backgrounds and cultures or have protected characteristics which may cause them to see things from various angles. Having a school and community culture which celebrates and embraces diversity in all things – including diversity of opinion – means people are more likely to feel heard and understood.

5 BE SUPPORTIVE

Discussions may be sensitive or, in some cases, even trigger negative emotions. Pupils may have mixed feelings about the issue at hand. They could be nervous or anxious before even coming to the table to talk about it. Try and create a space where all parties feel safe, welcome and comfortable. Allow breaks and time-outs if the conversation gets heated, to prevent anyone from saying something they might later regret.

6 MENTALLY PREPARE

Think of how you can approach the conflict in a calm and regulated manner. Consider taking some extra time to prepare beforehand and finding somewhere quiet to relax. Even if you're not directly involved with the conflict, mediating can be a stressful experience in its own right. Make sure you're hydrated, fed and comfortable, and do the same for the young people involved. These may seem like insignificant factors, but it's important to remember that physical discomfort can trigger dysregulation, which can make it much harder to have a calm, productive conversation.

7 GET YOUR FACTS STRAIGHT

Make sure you have all the facts, figures and timelines of the situation prior to the discussion. This should be done as objectively as possible with the aim of resolving the ongoing issue. You may want to risk assess any problems that may arise and look for possible solutions during your preparation time.

8 STICK TO THE POINT

Make the reason for, and purpose of, any meetings or communications clear prior to setting them up. Provide an agenda. Act as a neutral chairperson who can keep all parties on track. Make sure everyone has a chance to air their concerns about the issue being discussed and try to avoid talking about unrelated incidents. Close off with some action points, detailing what everyone can do to resolve the conflict.

9 BE SOLUTION FOCUSED

It's often said that the art of diplomacy is about giving others ladders to climb down. This means the main aim of any meeting or correspondence should be finding mutually acceptable and amicable solutions. Parents, carers, teachers and pupils should be aware there may need to be a compromise for the common good – and, most importantly, the good of the children you're supporting.

10 DON'T IGNORE OR AVOID CONFLICT

No one benefits from allowing concerns and grievances to fester, as this can lead to further division and mistrust, and ultimately doesn't help the children involved. Use our tips to open meaningful lines of communication. These should help you find a suitable resolution and minimise the number of conflicts you're faced with mediating overall.
