

**Swain House Primary School**  
**PE and Sports Grant for Academic Year 2015/16**

**Purpose of Funding (taken from DfE website)**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

**Funding Allocation for Swain House** – Funding was £8000 per school + £5 per pupil in years 1-6, as recorded in the October 2015 Census.
