

Home Learning 10/03/23

Phonics - This week we have been practicing the 'ai' and 'ee' sounds. Please have a go at writing the labels for these pictures.

Maths - This week we have been thinking about the composition of the number 7. Complete the part-whole and think of all of the different ways to make 7. You could use objects from around the house to help you. *E.G. 5 and 2 make 7.*

Weekend Homework - For your weekend homework, we would like you to spend time with your family doing something you enjoy the most. This could be watching your favourite film, having your favourite food or going to your favourite place. Please send us a photo to reception@swainhouse.bradford.sch.uk
