For a positive attitude towards all of her learning, especially with her maths, where she has been using her timetables knowledge of whole numbers to multiply and divide by decimals. Lila has also continued with this fantastic attitude outside of school with her tutor where she has won an award this week. Well done Lila!

For his supportive and encouraging attitude during PE. Christopher really impressed me in PE this week when he encouraged players on the other team when playing a cricket match. Well done, Christopher!
