Dear Parent/Guardian

Responsible use of the Internet

As part of pupils' curriculum enhancement and the development of ICT skills; Swain House Primary School provides supervised access to the Internet.

Although there have been concerns in the media about pupils having access to undesirable material, we have taken positive steps to deal with this in school. Our school Internet access provider operates a filtering system that restricts access to inappropriate material. We also teach the children how to stay safe when using the internet. Additionally the Internet Acceptable Use Policy that we use at Swain House Primary School encourages pupils to use ICT responsibly.

Please find attached a copy of the Internet Acceptable Use Policy for your information. Could you please complete and return the reply slip below to your child's class teacher.

Should you wish to discuss any aspect of Internet use please telephone me to arrange an appointment.

Yours sincerely

Mrs Clare Pugh
Headteacher

Internet Access

Parent/guardian's permission
