

# SPOTLIGHT ON SEND

(special educational needs and disabilities)

Each half-term, I write a section on our school newsletter to keep parents and carers of pupils on the SEND register 'in the loop' about all things SEND related. I highlight support available in school and also resources and workshops available in the local area.

## World Mental Health Day - 10th October 2023

Every year, World Mental Health Day is celebrated on 10th October. World Mental Health Day is about raising awareness of mental health and driving positive change for everyone's mental health.

It's also a chance to talk about mental health, how we need to look after it, and how important it is to get help if you are struggling.

Please click the images below to access information and resources to support mental health.

## Speech and Language

We are aware of the waiting lists for speech and language sessions via the NHS.
