

Great Oak Nursery Home Learning:

Friday 10<sup>th</sup> February

Please take a look at some tasks to complete with your child at home.

Once completed, send any photographs of their work to our email address

[greatoak@swainhouse.bradford.sch.uk](mailto:greatoak@swainhouse.bradford.sch.uk)

Go on a winter walk or play outside!

Take the time to enjoy the snow with your families. Build a snowman or anything you like! Share your snowy pictures with us.

Time to investigate!

Can you find the answers to these questions?

What does snow feel like?

What happens when you hold the snow in your hands?

What happens when you add salt to snow?

What happens when you bring snow inside?

What other things can you find in your house that melt? - Some ideas below

How did you melt these things?

After your fun in the snow, read your favourite story!
